\*Products are exchange traded products, which do not qualify as units of a collective investment scheme according to the relevant provisions of the Swiss Federal Act on Collective Investment Schemes (CISA), as amended, and are not licensed thereunder. Therefore neither the issuer, nor the products are governed by the CISA nor supervised or approved by the Swiss Financial Market Supervisory Authority FINMA (FINMA). Accordingly, Investors do not have the benefit of the specific investor protection provided under the CISA.

The value of an investment in ETPs may go down as well as up and past performance is not a reliable indicator of future performance. Trading in ETPs may not be suitable for all types of investors as they carry a high degree of risk. You may lose all of your initial investment. Only speculate with money you can afford to lose. Changes in exchange rates may also cause your investment to go up or down in value. Tax treatment depends on the individual circumstances of each client and may be subject to change in the future. Please ensure that you fully understand the risks involved. If in any doubt, please seek independent financial advice. Investors should refer to the section entitled "Risk Factors" in the relevant prospectus for further details of these and other risks associated with an investment in the securities offered by the Issuer.

#### Information for Investors in Switzerland

This communication qualifies as advertisement under the Swiss Financial Services Act (FinSA) and does not constitute a prospectus, key information document or any other offering document within the meaning of the FinSA or any other jurisdiction. The issuer of the ETPs is incorporated and registered in Jersey. In Switzerland, the authorized representative for listing purposes on the SIX Swiss Exchange is Homburger AG. The paying agent is State Street Bank International GmbH.

The prospectus, the relevant the final terms, the key information documents or the key investor information documents, the articles of association as well as the annual and semi-annual reports are available to eligible investors in English at [www.globalxetfs.eu](http://www.globalxetfs.eu). Past performance is no indication of current or future performance. The performance data do not take account of the commissions and costs incurred on the issue and redemption of units.

This is an advertising document. The state of the origin of the ETF is Ireland. In Switzerland, this document may only be provided to qualified investors within the meaning of art. 10 para. 3 and 3ter CISA.

In Switzerland, the representative is 1741 Fund Solutions AG, Burggraben 16, CH-9000 St.Gallen. The paying agent is Tellco AG, Bahnhofstrasse 4, 6430 Schwyz. The basic documents of the fund as well as the annual and, if applicable, semi-annual report may be obtained free of charge from the representative.

Past performance is no indication of current or future performance. The performance data do not take account of the commissions and costs incurred on the issue and redemption of units. Please be aware that this document may include funds for which neither a representative nor a paying agent in Switzerland have been appointed. These funds cannot be offered in Switzerland to qualified investors as defined in art. 5 para 1 FinSA.
